Your programme

Students learn faster and more successfully when they use English all the time and in a range of situations.

That is why we offer fully-integrated courses with lessons, a choice of afternoon modules and access to a full calendar of social activities, excursions and day trips and excursions.

Core English lessons

Want to develop your English to apply and study in an English-speaking school or university? Want to improve your job prospects? Or may you want to travel or live in an primarily English-speaking country.

Whatever your ambitions, our build-your-own courses will help you achieve your personal goals and succeed in taking those exciting next steps.

Using the six principles of the Bell Way, each lesson is expertly designed to inspire students to reach their full potential.

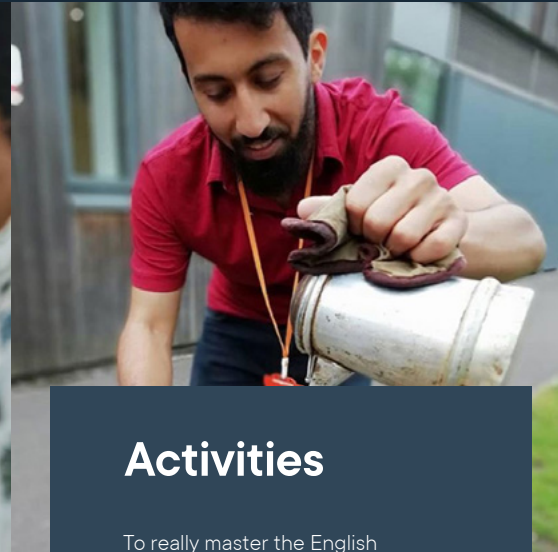

Afternoon modules

Build your course by selecting afternoon modules that specialise in an area you want to focus on.

Each of our adult centres proudly offers a unique selection of modules to help you improve your language skills:

- ▶ General language skills
- ▶ Business skills
- ▶ IELTS exam skills
- ▶ Project management skills
- ▶ Smart project skills
- ▶ 1-to-1 tuition

Activities

To really master the English language, learning needs to take place inside and outside the classroom. Learning everywhere is one of our core teaching principles.

As part of our Language in Action programme - exclusive to Bell - we offer a series of educational activities and useful ideas for independent learning outside the classroom.

Students practise their English while focused on an activity, which leads to a natural and fluent use of the language.

Excursions & day trips

All our students have access to an exciting calendar of regular afternoon excursions and day trips as part of their course.

So every one of our students can explore the UK and experience British culture - at NO EXTRA COST.

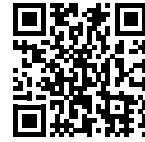

Students learn about British life and history through exploring places of interest such as London, Oxford, Warwick or Brighton.

It is an ideal way to practise your English and meet students from other countries.

What is your learning goal?

Every student is a unique individual to us: it is one of the core Bell Way principles. We can help you find the perfect course for your unique young learner.

QUICK TIP

Let us help you!

You may prefer to discuss your needs with one of our education advisors, so that we can consider the specific needs and goals of a student in order to make a recommendation.

Contact us online and we can arrange a private appointment.

Effective English at Bell London

At Bell London, the course will feature a weekly morning class in the city, such as at a museum, marketplace, or along the river. This gives you the opportunity to practise your skills in an authentic (but supported) setting.

IELTS exam preparation

Overview

Train for your IELTS, an internationally-recognised qualification to demonstrate your language level to a university or employer.

Our teachers have extensive knowledge of IELTS exam content and structure so they can help you to achieve your desired score.

They will regularly review your progress on a 1-to-1 basis, so you always have a clear path to your goals throughout your time at Bell.

On this course, you will:

- ▶ Strengthen your understanding of the IELTS exam content and structure
- ▶ Gain effective techniques and strategies to tackle different types of questions
- ▶ Develop useful skills like paraphrasing, analysing or describing data and interpreting meaning from context
- ▶ Learn to effectively communicate and present your opinions when speaking or writing essays for the exam
- ▶ Enhance your pronunciation, vocabulary and grammar structures
- ▶ Improve your confidence, fluency and accuracy when communicating in English

Our approach

You will become confident by frequently practising your new skills and knowledge on example exam questions or papers.

Focus on the most difficult areas through your personal and interactive Bell Online - testing your skills and getting direct feedback from your teacher.

IELTS Writing

Gain insights from example papers and practise new vocabulary, structuring your writing and describing data.

IELTS Listening

Enhance your listening and critical exam skills, like recognising paraphrasing and synonyms.

IELTS Reading

Learn strategies to approach questions and practise reading academic articles and reports.

IELTS Speaking

Expand your vocabulary on exam-related topics and learn to express, justify and respond to opinions in a structured, coherent way.

Guide to IELTS exams

IELTS (International English Language Testing System) is an English language test recognised by over 9,000 organisations worldwide. It assesses your ability to communicate in everyday English for education, immigration and professional accreditation.

There are two versions of IELTS – Academic and General Training - Bell offers training for the Academic test.

Study in Cambridge

A world-class university city

Cambridge is a historic university city with a global reputation for academic excellence. Over a fifth of its residents are students, giving the city a modern, cosmopolitan feel, and the streets are full of fascinating museums, diverse restaurants and quirky shops.

5 things to do in Cambridge

1. **Try punting** - the most traditional Cambridge activity. The city is at its most beautiful when viewed from aboard a punt.
2. **Visit Grantchester Meadows** - a perfect way to spend a Summer's afternoon. Have a picnic on the meadows, then visit The Orchard Tea Gardens for a traditional cream tea.
3. **Go shopping** - find everything from well-known brands to chic independent stores and local arts and crafts.
4. **Walk along 'The Backs'** - stroll along the historic backs of the Cambridge colleges and follow in the footsteps of their world-famous alumni.
5. **Enjoy some entertainment** - watch live music or a play at one of the city's theatres and venues. If you're here in the Summer, don't miss the chance to see a Shakespeare play in the private garden of one of the Cambridge colleges.
