## Study in Safety at St Giles

When we reopened our schools, we implemented safety measures including:

- Implementing social distancing
- Providing hand sanitiser around the school
- Recommended use of face coverings in common areas
- A socially distanced social programme, including activities such as barbeques outside and excursions to some of the best sights in the area
- Setting out detailed health and safety plans to ensure swift action in case of emergencies

We will continue to implement these measures for as long as they are recommended by our local governments and industry associations.

## Quarantine with St Giles

For students needing to quarantine on arrival, we offered:

- A warm welcome from our homestay hosts and accommodation team
- The option to start learning immediately with online lessons delivered on St Giles Live or an in-class Zoom connection
- A quarantine homestay full-board package
- A choice of homestay or residential accommodation

We know that COVID 19 has created a lot of uncertainty surrounding travel, so throughout the pandemic, and as necessary in the future, we have committed to offering flexibility for our students. This has included the St Giles Flexible Booking Guarantee and providing more comprehensive medical insurance coverage for students who opt for our student insurance package.

### Goksu's UK Lockdown Experience

*Goksu arrived in Brighton in February 2020, a month before the UK lockdown. She stayed with her host family and studied online at St Giles Live.*

**"I love my host family, they are lovely people. They talk to me all the time and during lockdown we did lots of fun things together, so it didn't feel difficult living with them. Thank you St Giles and thank you my lovely host family!"**

# Starting your St Giles Journey

Every student's journey at St Giles is unique. From when you first book your course with us until you say goodbye, we want to help you get the most out of your time with us.

## When you arrive

When you arrive in the UK and Canada, we can arrange for an airport transfer to meet you, and take you to your accommodation. Each of our schools offers a great range of accommodation to suit your needs and budget.

## Homestay

Homestay offers you the chance to stay with an English speaking host in their home. It is a great choice if you want to practise your English naturally outside of the classroom, really experience life in the UK and Canada, or be in a more supportive environment. It also offers excellent value for money.

- Choose from single or twin rooms
- Half-board, bed & breakfast and self-catering options available
- Superior options are available at selected centres

Chapter Highbury Residence, London

## Residences

Student residences are ideal for students looking for a more independent lifestyle. Residences are generally located closer to the schools than homestays, often within walking distance. You'll also have the chance to meet other international students, making it easy to make new friends! As residences vary from centre to centre, you will find a range of room types and meal options on offer.

## Hotels and Guesthouses

All of our centres have specially negotiated rates at a choice of hotels and guest houses. They are located within easy reach of the schools. These are a good option if you want to be independent but benefit from all the services that hotels offer, and are ideal for business or executive clients.

## Your learning

Our approach to teaching is focused on helping you achieve your personal goals, which we do through:

- 'Learner centred' teaching, which means we focus on the needs and interests of our students
- Flexible plans, which means the content of the course can be based on our students' needs
- Active learning, participation in activities and discussions and a focus on learner independence

Your feedback is very important to us so we ask all our students for their comments at their end of their course, so we can continue to improve and develop.

## Meeting your teachers

To help you get the best education, our teachers are all:

- Qualified, native-level English speakers, often with many years of experience
- Regularly observed and appraised, with detailed feedback to continue to improve their teaching
- Encouraged to take further qualifications

**The teachers are devoted to what they do and it was the perfect place to improve my English."**

Mariana, Spain

## Your class

Before you start your course at St Giles, you will take our online placement test so we can make sure you are placed in the right class. You will then be put in a class with students who have a similar level of English, and where possible are from a variety of countries. At St Giles, we have a maximum class size of 12 at our year round centres, 10 for students under 16 studying at Eastbourne, Cambridge and London Highgate, and 15 at our Junior Summer Centres. For even smaller class sizes, students can opt for our Platinum classes (available at selected locations), where the maximum class size is 5. This means that you will enjoy personal attention from your teachers, which will help you make faster progress.

# In Our Students' Own Words

Damien, Romania

Studied at St Giles Cambridge in 2019, and starts a Master's degree in 2020

*"Being there made me change my way of being, seeing things from different perspectives and wanting to travel non-stop to meet the wonderful people I met there. The level of English that I left St Giles with, helped me find a job in England and apply for a master's degree that I had always dreamed of"*

Gabi, Brazil

Studied at St Giles London Central and has gone on to a career in Marketing, working at several prestigious international companies

*"St Giles has changed my life. 12 years ago I studied English at St Giles London Central and took the CAE Exam which helped me to get accepted for a Post Graduation course in London. St Giles meant home away from home for me, a welcoming place where you feel cared for and protected, where you meet new people, new friends, new perspectives.*

*Hands on heart when I say: Thank you St Giles.*

Paolo, Italy

Left St Giles Cambridge in March 2020, and now studies at the University of York

*"The teachers were amazing people, they helped me so much with my university application and they made my dream of studying in the UK come true"*

Koray and Esra, Turkey

Studied in 2004 and 2007, where they then met in Brighton through St Giles friends. They are now married.

*Because of St Giles Brighton, I got a good IELTS score which meant I got accepted by the University of Gloucestershire for my MBA. Today I am a marketing executive who worked at several international companies and I believe those Brighton days led me to success in my career.*
