## SUPPORTING OUR STUDENTS THROUGH COVID-19

### Study in Safety at Frances King.

We closely follow UK Government guidelines and have put many safety measures in place to keep you and our staff safe at the school:

- You are required to keep a 1-meter distance from staff and other students at all times; class sizes are smaller than usual and depend on classroom size
- Face coverings must be worn in common areas and teachers wear plastic visors to minimise risk in classrooms
- Hand sanitiser is available at key points around the school
- Classrooms, common areas and toilets are cleaned and sanitised regularly throughout the day
- Class start and finish times, as well as breaks, are staggered to ensure minimum numbers of students are in common areas at the same time
- Each course group is assigned their own classroom and have only one teacher to reduce any risk of contamination between groups
- Where it is not against fire safety regulations, doors and windows are left open to ensure ventilation throughout the building
- You have your own course book and extra materials (where possible) are provided digitally

We will continue to implement measures as recommended by the Government and Industry Associations.

### YOUR PROGRESS

From time to time, you will have meetings about your progress with one of your teachers to help you use your time well. And on longer programmes you can expect regular progress tests.

### OUTSIDE THE CLASS

With the EDMODO digital learning platform, you can keep in touch with your teacher and classmates, sharing ideas and doing tasks together. Intensive courses also include a free lunch once a week with an English speaker and a group of students.

### ACTIVITY PROGRAMME
